We have made a few changes this year. We now have a new and improved website: deldioswater.org, and a new email address: info@deldioswater.org. Yes, we finally replaced our old AOL email address, so please make that change.

For those of you using Zelle for your payments, we have a new Zelle ID for you to use. Please securely log into your account on your bank's website and change your payment setting on Zelle from "deldioswater@aol.com" to "deldioswater" (without the .org) If you have any questions, please contact one of our board members or staff. Go to our website and you will find their email address.

Thank you for your continued support of the DDMWC. Owning our own water company and local water supply helps make Del Dios a vital and beautiful community for all of us, now and in the future.
